

50 ChatGPT Prompts for Freelance Designers

Prompt 1: Portfolio Website

Act as a seasoned graphic designer, help me create a one-paragraph description of my portfolio website. I want to focus on showcasing my versatility in designing logos, brochures, and business cards.

Expected output format: A concise, engaging paragraph with a clear call-to-action.

Prompt 2: Color Palette Creation

Act as a color expert, design a five-color palette for a tech startup. Consider their brand identity and suggest shades that evoke a sense of innovation and reliability.

Expected output format: A list of five colors with their HEX codes and a brief explanation for each.

Prompt 3: Brand Identity Consultation

Act as a branding expert, advise on a new brand identity for a sustainable fashion brand. Suggest a color scheme, typography, and logo design that reflects their eco-friendly values.

Expected output format: A comprehensive brand identity package with a color scheme, typography selection, and initial logo design concepts.

Prompt 4: Brochure Design

Act as a brochure designer, create a three-page layout for a travel agency brochure. Include suggestions for typography, images, and space for text.

Expected output format: A detailed three-page layout with design elements, typography, and suggested image placement.

Prompt 5: Business Card Design

Act as a business card designer, design an exclusive business card for a high-end fashion designer. Incorporate unique textures, color combinations, and fonts that reflect their brand's opulence.

Expected output format: A business card design with specifications for card size, paper texture, font choices, and color palette.

Prompt 6: Brand Voice Development

Act as a writer, help me craft a consistent brand voice for a startup. I want to ensure my brand's tone is friendly, approachable, and engaging across all marketing materials.

Expected output format: A comprehensive brand voice guide detailing tone, language, and style guidelines.

Prompt 7: Packaging Design

Act as a packaging designer, design a six-pack of eco-friendly water bottles for a wellness brand. Suggest innovative designs, colors, and typography that convey a sense of naturalness.

Expected output format: A packaging design concept with specifications for bottle shape, size, label design, and material choice.

Prompt 8: Social Media Assets

Act as a social media expert, create a suite of social media assets (Facebook, Instagram, LinkedIn) for a tech startup. Include guidelines for content creation and posting schedules.

Expected output format: A set of high-quality social media assets (logos, banners, avatars) with recommended content creation strategies and scheduling advice.

Prompt 9: Letterhead Design

Act as a letterhead designer, create a formal letterhead for a corporate lawyer's office. Design a three-fold layout with precise typography and ample space for contact information.

Expected output format: A detailed letterhead design with typography, logo placement, and space allocation for contact details.

Prompt 10: Email Newsletter Template

Act as an email designer, develop a visually appealing email newsletter template for a fashion brand. Incorporate a clean design and space for featured products, promotions, and company news.

Expected output format: A fully-usable email template with layout suggestions, image placement, and best practices for optimizing engagement.

Prompt 11: Print Advertising

Act as a print advertising expert, design a full-page print ad for a luxury car brand. Create a visually stunning ad that highlights the car's features and craftsmanship.

Expected output format: A print ad design layout with imagery, typography, and messaging that appeals to the target audience.

Prompt 12: Brand Positioning

Act as a brand strategist, help me position a new wellness app as a unique solution for stress management. Develop a positioning statement and messaging framework that showcases its benefits.

Expected output format: A comprehensive brand positioning statement with messaging guidelines and suggested promotional language.

Prompt 13: Icon Design

Act as an icon designer, create a set of six custom icons for a mobile app that focuses on home organization. Design engaging icons for each category, such as 'add task' and 'reminders'.

Expected output format: A set of custom-designed icons in different formats (PNG, SVG, ICO) with a suggested icon grid layout for the mobile app.

Prompt 14: Content Marketing Strategy

Act as a content marketing expert, develop a comprehensive content marketing strategy for a sustainable energy company. Include ideas for blog posts, social media content, and newsletter articles.

Expected output format: A detailed content marketing strategy with topic suggestions, posting schedules, and metrics for successful content measurement.

Prompt 15: Logo Redesign

Act as a logo designer, redesign the logo for a non-profit organization focused on education. Update the logo to be more modern, memorable, and engaging for their target audience.

Expected output format: A refined logo design concept with a color palette, typography, and iconography tailored to the non-profit's new brand identity.

Prompt 16: Business Meeting Presentation

Act as a presentation designer, create a visually appealing presentation template for a business meeting. Include sections for introduction, company overview, goals, and action plan.

Expected output format: A fully-customizable presentation template with suggested layout, typography, and visual aids for a professional business meeting.

Prompt 17: Event Promotion Design

Act as an event promotion expert, design eye-catching promotional materials (flyers, posters, banners) for a corporate conference in a city with diverse cultures. Include a message that appeals to international attendees.

Expected output format: A set of promotional design materials that emphasize the city's cultural diversity and the conference's unique opportunities for networking.

Prompt 18: Packaging Design for Food Products

Act as a food packaging designer, create six-pack designs for a craft bakery with a minimalist brand. Suggest materials and colors that emphasize sustainability and quality.

Expected output format: A packaging design concept with specifications for cardboard shape, size, color palette, and printing options.

Prompt 19: Brand Manual Development

Act as a brand guidelines expert, help me write a comprehensive brand manual for a lifestyle apparel brand. Include guidelines for typography, imagery, color, and tone.

Expected output format: A detailed brand manual with recommendations for typography, color palette, imagery, tone, and brand messaging.

Prompt 20: Corporate ID Design

Act as a corporate identity designer, design an official corporate ID card for a company that operates in multiple languages. Use a consistent design that incorporates the company's international brand.

Expected output format: A corporate ID design with suggested card layout, photo placement, and contact information section for multilingual company IDs.

Prompt 21: Marketing Materials Design

Act as a marketing materials designer, design a suite of marketing materials (brochures, posters, business cards) for a healthcare startup. Create materials that focus on educating patients about new treatments and services.

Expected output format: A set of marketing materials that emphasize clear communication of health information, accessibility, and trustworthiness.

Prompt 22: Product Label Design

Act as a product label designer, design a label for a new line of herbal teas. Incorporate the label's unique features, such as color palette, typography, and branding, into the design.

Expected output format: A product label design concept with specifications for shape, size, font choices, and color palette.

Prompt 23: Business Stationery Kit

Act as a business stationery designer, create a comprehensive business stationery kit for a boutique consulting agency. Include letterheads, envelopes, and business cards with a cohesive design.

Expected output format: A business stationery kit design with a unified color palette, typography, and layout for letterheads, envelopes, and business cards.

Prompt 24: Event Branding Package

Act as an event branding expert, design a comprehensive branding package for a music festival. Include a logo, color palette, typography, and visual identity elements.

Expected output format: A detailed event branding package with a festival logo, color palette, typography, and event identity elements.

Prompt 25: Brand Storytelling

Act as a brand storyteller, help me develop a compelling brand story for a sustainable tech startup. Create a narrative that highlights the company's mission and values.

Expected output format: A comprehensive brand story guide detailing key milestones, company values, and unique selling propositions.

Prompt 26: Social Media Content Creation

Act as a social media content creator, develop a content calendar for a beauty brand. Suggest content ideas for Facebook, Instagram, and Twitter, emphasizing makeup tutorials and product showcases.

Expected output format: A social media content calendar with suggested post types, posting schedules, and relevant hashtags for increased engagement.

Prompt 27: Brand Positioning Statement

Act as a brand positioning strategist, rewrite the positioning statement for a luxury home decor brand. Update the statement to reflect their new brand direction.

Expected output format: A revised positioning statement that captures the luxury home decor brand's unique value proposition and target audience.

Prompt 28: Digital Product Design

Act as a digital product designer, design a mobile app for a meal planning and grocery delivery service. Incorporate a modern design and user-friendly interface that appeals to users' health and convenience needs.

Expected output format: A digital product design concept with wireframes, prototypes, and high-fidelity designs that showcase a user-friendly meal planning and grocery

delivery app.

Prompt 29: Brand Guidelines Development

Act as a brand guidelines expert, help me develop comprehensive brand guidelines for a fashion brand that operates globally. Include best practices for typography, color palette, imagery, and tone.

Expected output format: A set of detailed brand guidelines with recommendations for typography, color palette, imagery, tone, and messaging for a fashion brand.

Prompt 30: Brand Identity Design

Act as a brand identity designer, create a cohesive brand identity for a wellness retreat. Develop a new logo, color palette, and typeface that reflects the retreat's peaceful and rejuvenating atmosphere.

Expected output format: A comprehensive brand identity package with a new logo design, revised color palette, and suggested typography that represents the wellness retreat.

Prompt 31: Packaging Material Selection

Act as a packaging materials expert, suggest eco-friendly packaging materials for a food delivery startup. Recommend bioplastics, recycled cardboard, and other sustainable options that can withstand transportation and handling.

Expected output format: A set of recommended eco-friendly packaging materials, their specifications, and a brief overview of their environmental impact.

Prompt 32: Marketing Collateral Design

Act as a marketing materials designer, create a suite of marketing collateral (brochures, posters, social media graphics) for a fitness startup. Design materials that focus on the importance of physical activity, wellness, and community.

Expected output format: A comprehensive marketing collateral package with suggested layout, typography, and visual aids that emphasize the importance of fitness and exercise.

Prompt 33: Brand Voice Messaging Framework

Act as a messaging expert, help me develop a brand voice messaging framework for a personal finance brand. Create a tone that reflects expertise, trust, and approachability.

Expected output format: A comprehensive brand voice messaging framework that outlines key messaging pillars, tone of voice, and brand language for engaging personal finance audiences.

Prompt 34: Print Business Card Design

Act as a print business card designer, create an exclusive business card for a boutique interior design firm. Incorporate unique materials, textures, and fonts that reflect the design expertise.

Expected output format: A high-end business card design with specifications for card size, material choice, font selection, and color palette.

Prompt 35: Event Promotion Strategy

Act as an event promotion expert, develop a promotion strategy for a corporate event that incorporates influencer marketing and social media campaigns. Outline the plan, timeline, and budget allocation.

Expected output format: A detailed event promotion strategy that details influencer partnerships, social media advertising, and other promotional activities to increase event visibility.

Prompt 36: Brand Messaging Development

Act as a messaging strategist, help me develop compelling brand messaging for a sustainable living brand. Create a message that resonates with eco-conscious consumers.

Expected output format: A detailed brand messaging guide that captures the brand's unique value proposition, target audience needs, and unique selling propositions.

Prompt 37: Corporate Brand Identity Design

Act as a corporate identity designer, design an official corporate identity for a global retail company. Update their brand to be more modern, consistent, and engaging for global customers.

Expected output format: A comprehensive corporate brand identity package with a new brand strategy, refined color palette, and suggested typography for increased brand recognition.

Prompt 38: Brand Reputation Management

Act as a brand reputation expert, help me develop a plan to maintain a company's online reputation. Recommend strategies for managing social media, customer testimonials, and product reviews.

Expected output format: A detailed brand reputation management plan that includes social media monitoring, customer service strategies, and product review response templates.

Prompt 39: Digital Business Card Design

Act as a digital business card designer, create an interactive digital business card for a tech startup founder. Incorporate animations, graphics, and other interactive features that highlight their expertise.

Expected output format: A digital business card design concept with suggested animations, graphics, and interactive features that showcase the founder's expertise and personality.

Prompt 40: Event Website Design

Act as a web designer, create a website for a music festival event. Incorporate a modern design, event schedule, and ticket purchase integration with an easy payment gateway.

Expected output format: A fully-usable event website design with recommended design elements, navigation, and content sections.

Prompt 41: Corporate Meeting Presentation Design

Act as a presentation designer, create a stunning presentation design for a corporate meeting between company investors and potential partners. Emphasize key points, success stories, and market insights.

Expected output format: A comprehensive presentation design concept with suggested layout, typography, and visual aids that capture key meeting points and market developments.

Prompt 42: Brand Packaging Design

Act as a packaging designer, create a six-pack of eco-friendly packaging material for a food delivery service. Incorporate biodegradable plastics, reduced waste materials, and sustainable design elements.

Expected output format: A packaging design concept with specifications for packaging material choice, material weight, color palette, and packaging layout for a reduced environmental impact.

Prompt 43: Digital Marketing Strategy

Act as a digital marketing strategist, develop a comprehensive strategy for a B2B software solution. Include social media, content marketing, and paid advertising with clear metrics for measuring success.

Expected output format: A detailed digital marketing strategy that includes metrics for lead generation, customer engagement, and return on investment.

Prompt 44: Brand Storytelling Framework

Act as a storytelling expert, help me develop a compelling brand storytelling framework for a wellness brand. Create a narrative that captures their products' unique value proposition.

Expected output format: A detailed brand storytelling framework that outlines key milestones, company values, and messaging pillars to convey the unique benefits of wellness products.

Prompt 45: Online Course Material Design

Act as a learning materials designer, create visually appealing online course materials for a professional development platform. Include suggested design elements, typography, and layout for clear and concise learning content.

Expected output format: A comprehensive online course material design concept with recommended design elements, typography, and visual aids that enhance educational experience.

Prompt 46: Brand Image Consulting

Act as a branding expert, advise on branding strategies for a non-profit organization. Suggest a unique visual identity and messaging framework that resonates with their mission and values.

Expected output format: A comprehensive branding package with a suggested color palette, typography, logo design, and messaging framework tailored to the non-profit's mission and objectives.

Prompt 47: Corporate Identity Update

Act as a corporate identity designer, update the brand identity for a global manufacturing company. Incorporate a modern and sustainable design that reinforces their commitment to the environment.

Expected output format: A comprehensive corporate identity update package with a new brand strategy, refined color palette, and suggested typography for a global audience.

Prompt 48: Marketing Strategy for Small Business

Act as a marketing strategist, develop a strategy for a small business to increase their online visibility. Include social media advertising, content creation, and email marketing with clear ROI objectives.

Expected output format: A comprehensive marketing strategy for small businesses outlining key marketing channels, ad spend allocation, and performance metrics.

Prompt 49: Brand Launch Plan

Act as a brand launch expert, develop a comprehensive brand launch plan for a startup technology brand. Include messaging guidelines, social media content calendars, and influencer partnerships.

Expected output format: A detailed brand launch plan that outlines branding assets, social media content creation, influencer partnerships, and key performance metrics.

Prompt 50: E-commerce Website Design

Act as a web designer, create an e-commerce website for a new fashion brand. Incorporate user-friendly navigation, clear product information, and seamless

shopping experience across desktop and mobile devices.

Expected output format: A fully-usable e-commerce website design with recommended design elements, user interface, and payment gateway integration for seamless customer purchase experience.
