

# 50 ChatGPT Prompts for Freelance Designers

---

## **Prompt 1: Brand Identity Audit**

Act as a branding expert tasked with analyzing the visual identity of a client's startup, "EcoCycle". Determine the core values of the company and suggest three key design elements to reflect those values in their branding.

## **Prompt 2: Color Palette**

Act as a designer tasked with creating a color palette for a luxury travel brand called "Serenity Escapes". Select and justify the use of five colors for their visual identity, with a focus on evoking feelings of relaxation and adventure.

## **Prompt 3: Typography Guidance**

Act as a typography consultant working with a tech firm called "CodeCraft". Provide guidance on the three primary font styles and typography rules they should use for their app design, taking into account readability and modernity.

## **Prompt 4: Logo Redesign**

Act as a logo designer for a wellness center, "Tranquil Oasis". Redesign their logo and come up with a name for the wellness center if the original name doesn't convey the right image. Design the logo as a vector graphic.

## **Prompt 5: Visual Hierarchy Exercise**

Act as an UX and UI designer tasked with creating a wireframe for a e-commerce website's product page for a client, "OutdoorGear". Identify the key elements to prioritize on the page and explain how you'd create a clear visual hierarchy to guide the user's attention.

## **Prompt 6: Packaging Design**

Act as a packaging designer for a client selling a new line of gourmet baked goods, "Flour & Co". Design a minimum of three packaging designs that showcase the product, including the name, description, and pricing information. Assume the primary colors are brown and cream.

## **Prompt 7: Marketing Materials Design**

Act as the lead designer for an event marketing company. Design a set of materials (business card, social media graphics, and banner) for a promotional concert series, "SoundWave". Include the logo and key messaging.

## **Prompt 8: Icon Design Challenge**

Act as an icon designer working on an app for a personal finance management platform called "PocketWise". Design a minimum of five essential icons for navigation and functionality, using simple, modern lines.

## **Prompt 9: Iconography Style Guide**

Act as the lead designer for a real estate company, "Homesite Realty". Develop an iconography style guide for commonly used icons in their marketing materials, ensuring cohesive aesthetics and scalability for various sizes and colors.

### **Prompt 10: Design for Accessibility**

Act as an inclusive designer working on a redesign for a client website, "Inspirational Quotes". Ensure that the design meets WCAG 2.1 guidelines and incorporates visual hierarchy, high contrast, and clear typography for users with disabilities.

### **Prompt 11: UI Kit Development**

Act as a UI designer tasked with creating a design system (color palette, typography, spacing, and iconography) for a new startup called "FreshFoods Delivery". Ensure consistency and versatility across various screens and devices.

### **Prompt 12: Business Card Design**

Act as an independent designer creating a business card for your own brand. Balance personal branding with professionalism, highlighting expertise, and providing key contact information.

### **Prompt 13: Social Media Content Calendar**

Act as the creative lead for a marketing agency handling social media campaigns for a popular restaurant chain, "Bistro Bliss". Design a content calendar for the next quarter, with a mix of graphic assets, promotions, and behind-the-scenes stories.

## **Prompt 14: Environmental Graphics Design Challenge**

Act as an environmental designer tasked with creating signage, posters, and wayfinding elements for a newly renovated convention center called "Expo Hall".

## **Prompt 15: UX Research Methodology**

Act as a UX researcher conducting a discovery phase for a new app designed to help users manage their home organization and cleaning tasks, "SparkClean". Outline the research methods, questions, and objectives to gather user insights.

## **Prompt 16: Visual Brand Refresh**

Act as a visual designer tasked with refreshing a 5-year-old brand for an outdoor apparel company, "Terrain Sports". Analyze the brand's strengths, weaknesses, and evolution; design new color palettes, typography and imagery.

## **Prompt 17: UI Kit for a Mobile App**

Act as a UI designer working on a mobile app for a personal development platform, "GrowHub". Develop a cohesive UI kit, including reusable components, buttons, and screens to ensure consistency across the app.

## **Prompt 18: E-learning Materials Design**

Act as an instructional designer for an online platform creating a course on graphic design fundamentals. Design the course materials (video intro slides, lesson headers, and exercises), ensuring engaging visual elements.

## **Prompt 19: Branding System Development**

Act as a branding specialist for a healthcare company, "MedicalCare Plus". Develop a comprehensive branding system (identity, tone, voice, and visual elements) reflecting the brand's expertise and commitment to patient care.

## **Prompt 20: Marketing Material Mockup**

Act as a marketing designer tasked with creating a comprehensive set of marketing materials for a new product launch, "Electric Bike 2.0."

## **Prompt 21: Social Media Campaign Analysis**

Act as the social media manager for a non-profit organization, "OceanConservation", responsible for analyzing their past campaigns, identifying what worked and what didn't, and providing actionable recommendations for future campaigns.

## **Prompt 22: Brochure Design for an Exhibition**

Act as a creative designer crafting an eye-catching brochure for a new art exhibition at a gallery, "Modern Masterpieces". Make sure the layout flows well, and key information is clearly presented.

## **Prompt 23: Product Packaging Design Challenge**

Act as a packaging designer tasked with creating packaging for a new energy drink, "Revive". Include a minimum of three design options and consider sustainability and environmental factors.

## **Prompt 24: Print Ad Design**

Act as an ad designer creating a print ad for a real estate business, "Home Sweet Home Realty". Use compelling images and clear messaging to capture the target audience's attention.

## **Prompt 25: Business Stationery Design**

Act as an independent designer creating business stationery for a startup, "GreenCycle Co". Design letterhead, envelopes, and an order pad while balancing aesthetics with professionalism.

## **Prompt 26: Web Design Wireframing**

Act as a web designer tasked with crafting a wireframe for a client website, "Wellness Center". Prioritize key features, ensure a smooth user flow, and allocate space effectively.

## **Prompt 27: UI Kit for a Website**

Act as the lead web designer for a financial services company called "Financial Insights". Develop a cohesive UI kit including button styles, icons, and typography to create consistency across the website.

## **Prompt 28: Iconography for an App**

Act as an icon designer working on a fitness app called "TrainSmart". Design essential icons for navigation and functionality, focusing on clarity and simplicity.

## **Prompt 29: Landing Page Design**

Act as a conversion rate optimization specialist for an e-commerce website promoting a holiday sale. Design a high-performing landing page that drives conversions, with a compelling offer and intuitive layout.

## **Prompt 30: Corporate Identity System**

Act as a corporate identity specialist for a global tech firm, "Innovation Lab". Develop a comprehensive brand identity system (logos, typography, color palettes, and imagery) that reflects the company's values and personality.

## **Prompt 31: Visual Communication Guidelines**

Act as a senior designer tasked with creating a visual identity style guide for a non-profit organization, "Education For All". Establish guidelines for logos, typography, and imagery throughout their marketing materials.

## **Prompt 32: UX Mapping Exercise**

Act as an UX and UI designer tasked with creating a user flow diagram for a personal finance app, "Budget Buddy". Map key steps and identify areas for improvement.

## **Prompt 33: Environmental Signage Challenge**

Act as an environmental designer tasked with creating custom signage for a new shopping mall, "RiverWalk". Design signs for directions, promotions, and announcements while ensuring readability.

### **Prompt 34: UI Components for Web Development**

Act as a UI/UX designer tasked with creating reusable UI components for a web development platform, "CodeGenie". Ensure consistency, flexibility, and future development needs.

### **Prompt 35: UI Wireframes for E-commerce**

Act as a UI designer working on an e-commerce website for a fashion brand, "Trendsetters Inc." Wireframe the product list page, product details, and checkout process to prioritize features and improve conversions.

### **Prompt 36: Design a Promotional Flyer**

Act as a flyer designer tasked with creating promotional materials for a music festival, "Festival Vibes". Ensure the design is eye-catching, informative, and encourages ticket sales.

### **Prompt 37: Design for Mobile App Onboarding**

Act as an UX and UI designer tasked with creating an onboarding flow for a new mobile app, "Home Maintenance Pro". Guide users through key features and settings while ensuring a seamless experience.

### **Prompt 38: Packaging System Design Challenge**

Act as a packaging designer tasked with designing a comprehensive packaging system for a new snack food company, "SnackHub". Consider sustainability, shelf appeal, and food safety.

### **Prompt 39: UI Design for a Wearable Device**

Act as a UI designer working on a wearable fitness device called "FitWiz". Develop a user interface that provides critical information, is easy to navigate, and offers a seamless user experience.

### **Prompt 40: Design a Corporate Business Card**

Act as an independent designer tasked with creating a business card for your own company. Balance your personal branding, expertise, and key contact information.

### **Prompt 41: Environmental Branding**

Act as a branding specialist tasked with rebranding a national park, "Wilderness Oasis". Develop a comprehensive branding system reflecting the park's unique values and ecosystem.

### **Prompt 42: Social Media Content Calendar Template**

Act as a social media manager tasked with creating a template for a monthly content calendar. Include space for planning and scheduling content across platforms.

### **Prompt 43: Brochure Design for a Trade Show**

Act as a design consultant crafting a brochure for a new business at a trade show, "NewHorizon Solutions". Highlight key services, products, and benefits in an engaging layout.

### **Prompt 44: Design an Infographic**

Act as an infographic designer tasked with creating engaging, informative visualizations for a company presentation, "Financial Insights". Select a key statistic or trend and design a compelling infographic.

### **Prompt 45: Web Design for Accessibility**

Act as an accessibility designer tasked with redeveloping a client website, "Accessible Education" to meet the ADA Section 508 standards and provide equal access for users with disabilities.

### **Prompt 46: Packaging Design System Challenge**

Act as a senior designer tasked with developing an integrated packaging design system for a food and beverage company, "TastyDelights". Ensure consistency, visual appeal, and sustainability.

### **Prompt 47: Promotional Materials Design for a Festival**

Act as a design consultant tasked with creating promotional materials for an upcoming music festival, "SummerFest". Include posters, social media graphics, flyers, and email templates to generate excitement.

### **Prompt 48: Design a Sales Kit**

Act as a sales materials designer tasked with creating a comprehensive sales kit for a business, "SmartTech Solutions". Include a business card, sales sheet, and case study in a cohesive design language.

### **Prompt 49: UI Kit for a Website Redesign**

Act as the lead web designer for a financial news platform called "Investor Insights". Develop a UI kit reflecting the brand's personality and values while adhering to modern design trends.

### **Prompt 50: Marketing Materials for a New Business**

Act as the creative lead for a startup, "Innovative Ventures". Develop a comprehensive marketing materials package including logos, icon set, color palette, typography, and visual language to showcase the company's innovative side.
