

50 ChatGPT Prompts for Freelance Designers

Prompt 1: Color Palette Creation

Act as a skilled color theorist, and I'm a freelance graphic designer looking to create a color palette for a new brand campaign. Provide a 5-color palette with a mix of vibrant and muted tones, suitable for a lifestyle brand targeting a young adult audience.

Output: Color codes (hex and RGB) and a brief explanation of each color's significance.

Prompt 2: Brand Identity Design

Act as a seasoned designer, and I want to create a brand identity for a sustainable fashion brand. Develop a comprehensive design brief including a logo, typography, color scheme, and iconography guidelines. Output: A Word document summarizing the design brief.

Prompt 3: Infographic Design

Act as a creative visualizer, and I need an infographic to explain the benefits of a plant-based diet. Design a visually appealing infographic with engaging graphics and clear typography. Output: A high-resolution image file (SVG or PNG) and a brief explanation of the design choices.

Prompt 4: Packaging Design

Act as a product designer, and I'm working on a new product launch for a food brand. Design an eco-friendly packaging solution that incorporates minimalist design principles. Output: A 3D model or a low-fidelity sketch of the packaging design.

Prompt 5: Landing Page Design

Act as a UI/UX expert, and I'm creating a landing page for a new mobile app. Design a user-centered landing page that effectively communicates the app's value proposition and encourages sign-ups. Output: A design mockup with click-through interactions (e.g., Figma or Sketch file).

Prompt 6: Business Card Design

Act as a professional designer, and I need a new business card design that reflects my personal brand as a freelance graphic designer. Create a modern and elegant design that incorporates my name, contact information, and a personal logo (if applicable). Output: A high-resolution image file (PDF or JPEG) and a brief explanation of the design inspiration.

Prompt 7: Social Media Campaign

Act as a social media strategist, and I want to launch a social media campaign for a new fashion brand. Develop a comprehensive social media strategy, including content calendar, influencer partnerships, and engagement guidelines. Output: A Word document summarizing the social media strategy.

Prompt 8: Brochure Design

Act as a publication designer, and I'm working on a brochure for a luxury resort. Design an elegant and informative brochure that showcases the resort's amenities and services. Output: A design mockup with clear typography and high-quality images (e.g., InDesign file).

Prompt 9: Website Redesign

Act as a UI/UX expert, and I'm redesigning a website for an existing e-commerce brand. Develop a comprehensive design brief, including user flows, wireframes, and high-fidelity design mockups. Output: A presentation summarizing the redesign concept and design rationale.

Prompt 10: Marketing Flyer

Act as a creative visualizer, and I need a marketing flyer to promote a new service launch. Design an eye-catching flyer with a clear call-to-action (CTA) and engaging graphics. Output: A high-resolution image file (PDF or JPEG) and a brief explanation of the design inspiration.

Prompt 11: Icon Design

Act as an icon expert, and I need to create a set of custom icons for a new mobile app. Design a set of 10 icons that reflect the app's personality and aesthetic. Output: A vector image file (SVG or EPS) and a brief explanation of the design process.

Prompt 12: Logo Redesign

Act as a skilled logo designer, and I want to redesign a logo for a well-established brand. Develop a new logo concept that incorporates the brand's values and

personality. Output: A design concept with clear typography and color scheme (e.g., Adobe Illustrator file).

Prompt 13: UI Kit Creation

Act as a UI/UX expert, and I'm creating a UI kit for a new mobile app. Design a comprehensive UI kit, including button styles, typography, and iconography guidelines. Output: A design system documentation (e.g., Sketch library or Figma design system).

Prompt 14: Packaging Revamp

Act as a product designer, and I'm working on a packaging revamp for a food brand. Design a modern and eco-friendly packaging solution that incorporates minimalist design principles. Output: A 3D model or a low-fidelity sketch of the revised packaging design.

Prompt 15: Event Poster Design

Act as a creative visualizer, and I need a poster design for a music festival. Design a visually appealing poster with clear typography and engaging graphics. Output: A high-resolution image file (PDF or JPEG) and a brief explanation of the design inspiration.

Prompt 16: Brand Style Guide

Act as a seasoned designer, and I want to create a comprehensive brand style guide for a new fashion brand. Develop a design brief, including logo guidelines, typography, color scheme, and iconography guidelines. Output: A Word document

summarizing the brand style guide.

Prompt 17: UX Research Report

Act as a UX researcher, and I need to conduct a UX research report for a new mobile app. Develop a comprehensive UX research report, including user interviews, user testing, and usability testing results. Output: A comprehensive UX research report (e.g., Word document).

Prompt 18: Business Presentation Design

Act as a creative visualizer, and I need a presentation design for a business proposal. Design a visually appealing presentation with clear typography and engaging graphics. Output: A design mockup with clear typography and high-quality images (e.g., PowerPoint or Keynote file).

Prompt 19: Digital Product Design

Act as a digital product designer, and I'm working on a digital product for a new startup. Design a digital product that incorporates interactive prototypes, mockups, and user flows. Output: A design concept with clear typography and interactions (e.g., Figma or Sketch file).

Prompt 20: Social Media Graphics

Act as a social media specialist, and I need social media graphics for a new fashion brand. Design a set of 5 social media graphics that reflect the brand's personality and aesthetic. Output: A set of high-resolution image files (PDF or JPEG) and a brief explanation of the design inspiration.

Prompt 21: Brochure Design for a Travel Company

Act as a publication designer, and I'm working on a brochure for a travel company. Design an elegant and informative brochure that showcases the company's destinations and services. Output: A design mockup with clear typography and high-quality images (e.g., InDesign file).

Prompt 22: Product Label Design

Act as a product designer, and I need to create a set of product labels for a new food brand. Design a set of labels that reflect the brand's values and personality. Output: A set of product label designs (e.g., Adobe Illustrator file).

Prompt 23: Brand Voice Development

Act as a copywriter, and I want to develop a brand voice for a new brand. Develop a comprehensive brand voice guide, including tone of voice, language, and messaging guidelines. Output: A Word document summarizing the brand voice guide.

Prompt 24: Website Redesign for a Non-Profit

Act as a UI/UX expert, and I'm redesigning a website for a non-profit organization. Develop a comprehensive design brief, including user flows, wireframes, and high-fidelity design mockups. Output: A presentation summarizing the redesign concept and design rationale.

Prompt 25: UI Design for a Mobile App

Act as a UI/UX expert, and I'm designing the UI for a new mobile app. Develop a user-centered UI design that effectively communicates the app's value proposition. Output: A design mockup with clear typography and interactions (e.g., Figma or Sketch file).

Prompt 26: Brand Photography Guidelines

Act as a seasoned designer, and I want to create brand photography guidelines for a new fashion brand. Develop a comprehensive brand photography guide, including image style, color palette, and model guidelines. Output: A Word document summarizing the brand photography guide.

Prompt 27: Landing Page Optimization

Act as a conversion rate optimization (CRO) expert, and I need to optimize a landing page for a new e-commerce brand. Develop a comprehensive CRO strategy, including A/B testing, user feedback, and analysis of website metrics. Output: A Word document summarizing the CRO strategy.

Prompt 28: Packaging Design for a Home Goods Brand

Act as a product designer, and I'm working on packaging design for a home goods brand. Design a modern and eco-friendly packaging solution that incorporates minimalist design principles. Output: A 3D model or a low-fidelity sketch of the packaging design.

Prompt 29: Event Invitation Design

Act as a creative visualizer, and I need a design for an event invitation for a music festival. Design a visually appealing invitation with clear typography and engaging graphics. Output: A high-resolution image file (PDF or JPEG) and a brief explanation of the design inspiration.

Prompt 30: Digital Identity Design

Act as a digital product designer, and I'm working on a digital product that requires a comprehensive digital identity design. Develop a digital identity design that effectively communicates the product's brand and personality. Output: A design concept with clear typography and interactions (e.g., Figma or Sketch file).
