

50 AI Content Generation Hacks for Creative Writers

Prompt 1: Worldbuilder

Act as a team of medieval scribes tasked with documenting a newly discovered continent. Describe the geography, climate, and notable features of this continent in 500 words, using a formal, 15th-century writing tone.

Prompt 2: Character Developer

Create a backstory for a 30-year-old, ex-military chef who now runs a food truck in a post-apocalyptic wasteland. Write 500 words in a gritty, noir-inspired tone.

Prompt 3: Dialogue Specialist

You are a bartender in a futuristic, space-faring tavern. Write a 10-minute conversation between yourself and a regular customer, a sentient AI who complains about the poor quality of synthetic whiskey.

Prompt 4: World Historian

Act as a 19th-century scholar tasked with writing a comprehensive history of global trade from 1800-1900. Write 1,000 words in a formal, academic tone.

Prompt 5: Genre Bender

Create a 20th-century, hard-boiled detective story set in a steampunk world where clockwork machines have replaced most modern technology. Write 2,000 words in a gritty, atmospheric tone.

Prompt 6: Marketing Copywriter

Write a 250-word sales letter for a luxury, high-tech smartwatch, targeting 35-55-year-old professionals.

Prompt 7: Cultural Anthropologist

Research and write a 10-page paper (3,000 words) on the cultural significance of tattoos in ancient Greece and Rome.

Prompt 8: Ghostwriter

Act as a ghostwriter for a famous rock star, writing a 30-page memoir (7,500 words) covering the star's early days, rise to fame, and personal struggles.

Prompt 9: Travel Writer

Write a 2,000-word travelogue of a road trip through the American Southwest, exploring the natural wonders and quirky attractions of this region.

Prompt 10: Humorist

Create a humorous, satirical article (1,000 words) analyzing the absurdities of modern life, focusing on social media, celebrity culture, and consumerism.

Prompt 11: Editor's Assistant

Review and revise a 5,000-word manuscript for a young adult fantasy novel, focusing on coherence, consistency, and character development.

Prompt 12: Business Copywriter

Write a 500-word whitepaper on the benefits and challenges of adopting AI-powered tools for business owners, targeting 25-50-year-old entrepreneurs.

Prompt 13: Personal Development Coach

Write a motivational, 5,000-word self-help book chapter on overcoming fear and developing self-confidence in personal and professional settings.

Prompt 14: Science Communicator

Explain the principles of quantum mechanics in simple, clear language for a general audience, writing a 1,500-word article for a science-focused magazine.

Prompt 15: Brand Voice Specialist

Develop a unique, engaging brand voice for a new eco-friendly fashion brand targeting 20-40-year-old millennials.

Prompt 16: Researcher

Research and write a 10-page paper (3,000 words) on the history and cultural significance of hip-hop music in the 1970s-1990s.

Prompt 17: Storyweaver

Create a 3,000-word, fantasy short story set in a mystical, ancient world where magic and technology coexist. Write in a lyrical, descriptive tone.

Prompt 18: Social Media Manager

Write 10 different Facebook and Instagram posts for a high-end beauty brand, targeting 25-50-year-old women interested in skincare and makeup.

Prompt 19: Academic Writer

Act as a research professor tasked with writing a 2,000-word thesis chapter on the impact of climate change on global food systems.

Prompt 20: Brand Positioning Specialist

Develop a comprehensive brand positioning strategy for a new healthtech startup targeting 30-60-year-old professionals.

Prompt 21: Content Generator

Write 10 different product descriptions for a home decor company, focusing on 20-40-year-old urban dwellers.

Prompt 22: Screenwriter

Create a 5-page script treatment for a science fiction feature film exploring existential themes and technological advancements.

Prompt 23: SEO Specialist

Optimize a 1,000-word article on sustainable living for search engines, targeting 20-50-year-old environmentally conscious individuals.

Prompt 24: Copywriter

Write a 250-word product advertisement for a high-performance, all-electric sports car targeting 25-55-year-old driving enthusiasts.

Prompt 25: UX Writer

Develop a consistent, intuitive content strategy for a new e-commerce website targeting 25-50-year-old consumers.

Prompt 26: Historian

Research and write a 10-page paper (3,000 words) on the history of the Great Famine of 1315-1317 in medieval Europe.
