

50 ChatGPT Prompts for Freelance Designers

Prompt 1: Logo Concept Development

Act as a creative director for a tech startup. I need a logo concept that incorporates a stylized letter "T" and a circle. The logo should be digital-friendly and scale well for various applications. Provide three different concept sketches, including a brief description and inspiration behind each design.

Prompt 2: Brand Style Guide Development

Act as a brand strategist for a fashion boutique. Create a comprehensive style guide that outlines typography, color palette, imagery, and tone of voice. The guide should include 5-7 key elements and be concise enough for a new designer to follow.

Prompt 3: Social Media Graphics Design

Act as a social media manager for a wellness brand. Design a set of six social media graphics for next month's content calendar, including Instagram, Facebook, and Twitter. Each graphic should feature a different visual element, such as patterns, textures, or illustrations.

Prompt 4: Icon Design for Website Navigation

Act as an interaction designer for an e-commerce platform. Create three icon sets for website navigation, including icons for product categories, shopping cart, and search.

Each icon should be scalable, modern, and intuitive.

Prompt 5: Business Card Design

Act as a marketing specialist for a startup. Design a business card for the CEO, incorporating their name, title, phone number, and email. The card should have a unique design element that reflects the company's mission.

Prompt 6: Infographic Design for Statistics

Act as an editor for a publication. Create an infographic that visualizes the statistics on sustainable living, incorporating data on waste reduction, energy efficiency, and eco-friendly practices.

Prompt 7: Webpage Mockup for E-commerce Site

Act as a visual designer for an e-commerce company. Create a high-fidelity mockup of a product page, including layout, colors, typography, and imagery.

Prompt 8: Print Brochure Design

Act as a communications specialist for a non-profit. Design a tri-fold brochure for a fundraising event, incorporating a bold headline, compelling visuals, and clear call-to-action.

Prompt 9: Email Campaign Design

Act as a marketing coordinator for a tech company. Design a series of three email campaigns promoting a new product launch, including subject lines, copy, and CTAs.

Prompt 10: User Experience Design for Mobile App

Act as a human-centered designer for a health app. Create a user journey map that outlines the key interactions, feelings, and emotions of users throughout the app experience.

Prompt 11: Brand Color Palette Development

Act as a design consultant for a food truck business. Develop a bold and vibrant brand color palette that reflects the brand's personality and values.

Prompt 12: Packaging Design for Product Line

Act as a product designer for a home goods brand. Design a set of packaging materials for a new product line, including boxes, bags, and inserts.

Prompt 13: Website Header Design

Act as a web designer for a creative agency. Design a website header for their new branding, incorporating a bold logo, navigation menu, and search bar.

Prompt 14: Print Flyer Design

Act as an event planner for a music festival. Design an eye-catching flyer for the festival, featuring a bold headline, festival date, and essential details.

Prompt 15: Mobile-Friendly UI Kit for Website

Act as a front-end developer for a news publication. Create a mobile-friendly UI kit that includes pre-designed components for layout, typography, color, and spacing.

Prompt 16: Digital Billboard Design

Act as an advertisement designer for a retail store. Design a digital billboard for Black Friday sales, featuring a catchy headline, promotions, and clear calls-to-action.

Prompt 17: Product Label Design

Act as a packaging designer for a pharmaceutical company. Design clear and concise labels for prescription medication packaging, including key information and instructions.

Prompt 18: Corporate Identity Kit

Act as a corporate branding expert for a financial institution. Develop a comprehensive corporate identity kit that includes a logo, typography, color palette, and imagery guidelines.

Prompt 19: Webpage Layout for Blog Post

Act as a content designer for a lifestyle blog. Create a visually appealing layout for a blog post on self-care, including headers, subheadings, and call-outs.

Prompt 20: Social Media Influencer Campaign

Act as a social media manager for a beauty brand. Design a social media campaign for influencer partnerships, featuring a series of promotional graphics and hashtags.

Prompt 21: Event Program Design

Act as an event planner for a conference. Design a program book for the conference, featuring speaker information, schedule, and important details.

Prompt 22: Icon Set for Website Navigation

Act as a visual designer for a gaming platform. Create a set of 10 icons for website navigation, including game categories, search, and settings.

Prompt 23: Business Presentation Template

Act as a marketing specialist for a startup. Design a professional business presentation template that includes a modern layout, clear headings, and effective visuals.

Prompt 24: Product Catalogue Design

Act as a product designer for an electronics brand. Design a product catalogue that highlights key features, benefits, and product details.

Prompt 25: Email Newsletter Template

Act as an email marketing specialist for a retail brand. Design a responsive email newsletter template that features a clean layout, clear calls-to-action, and engaging visuals.

Prompt 26: User Interface Kit for Web Application
